

2025
STATE
**ROAD CRASH
RESCUE**
CHALLENGE

STRONGER TOGETHER

Fire and Rescue NSW

I would like to welcome you all to Dubbo for the 2025 NSW State Road Crash Rescue Challenge. This is our fifth NSW multi-agency road rescue challenge with the goal to ensure that the NSW state road crash rescue capability is fit for purpose and meeting contemporary challenges in motor vehicle rescue capability. This year is an exciting milestone for our event, with the largest number of agencies competing since the competition began in 2020.

I wish to thank all our Sponsors, including FRSA/Holmatro, PT Rescue/Lukas and Milwaukee for providing support in the pits again this year. All our sponsors are vital partners with emergency services, and they are integral industry representatives. With their support we can bring the best NSW State rescuers, paramedics, trainers, instructors, and assessors together for this event.

This year the FRNSW/NSWSES/FCA event management team have put together the 2025 State Road Crash Rescue Challenge to test the skills, knowledge, and expertise of the competing teams. This also includes a variety of learning opportunities commencing with the Learning Symposium.

We have included the Trauma Challenge, Industrial & Domestic Rescue Challenge, CPR and Rescue Skills event in this year's challenge to enhance the expertise of our first aiders. This is such an important part of road crash rescue capability, to get the best possible outcome for the victims of the many road crashes every year on NSW roads. I encourage everyone to get behind this event and support the competing teams.

I appreciate the challenges and preparation that face teams and individuals attending this year's State Road Crash Rescue Challenge and would like to thank all the competitors. I wish all participants the best with their challenge events, and I am looking forward to seeing the teams compete in an open learning environment. I know that everyone will come away from this challenge with new ideas and ways to undertake rescue and having made new friends.

I would also like to thank all the volunteers who have given up their time to ensure we have a successful 2025 Road Crash Rescue Challenge; your support is truly appreciated.

Regards,

**Fire and Rescue NSW
Assistant Commissioner Cheryl Steer
Director of Firefighter Championship**

NSW State Emergency Service

The NSW State Emergency Service would like to welcome you to the 5th State Road Crash Rescue Challenge in Dubbo. This event brings together NSW State Emergency Service and Fire and Rescue New South Wales, the two largest providers of Road Crash Rescue services in the State, as well as support from our partner agencies from across NSW and beyond.

I would like to thank all the FRNSW and NSW SES members that have assisted with the development and management of this State multi-agency event. In addition, I would like to thank our participating emergency service partners, including NSW Police Force, NSW Rural Fire Service, NSW VRA and Endeavour Energy. This event will test the skills and knowledge of the participants in Road Crash Rescue, First Aid, Casualty Management and Team Leadership.

It is crucial that our emergency service personnel are highly competent with advanced skills, new equipment, and techniques, so that they can adapt quickly to any situation they are faced with when they are out in the field. This event allows members to not only challenge themselves in the spirit of competition but also gives them the opportunity to extend themselves through the Learning Symposium which provides practical and theoretical sessions on current and emerging topics within the Road Crash Rescue space.

To enhance and develop the participant's skills in front line first aid and emergency care, Trauma Challenge and CPR Challenge events have been included. The participant's performance will be evaluated by NSW Ambulance Paramedics, with these Officers providing feedback and guidance to participants on the management of these scenarios.

On behalf of the NSW SES, I wish all participants good luck with their participation in this year's challenge.

Regards,

**NSW State Emergency Service
Deputy Commissioner Daniel Austin**

Firefighter Championships Association

The Firefighter Championships Association (FCA) would like to welcome participants, their families, sponsors, and supporters to this NSW State Road Crash Rescue Challenge.

This Challenge is the culmination of many months of planning and cooperation by multi agencies to present a forum where road crash rescue skills can be honed and tested under realistic conditions in a friendly but competitive environment.

Welcome to all representatives from our valued sponsors and supporters in attendance here at Dubbo. I hope you enjoy the 2025 State Road Rescue Challenge as our guests. We are grateful for your contribution in support of the Road Rescue Challenge and helping to grow the interest of teams attending these events into the future.

The Road Crash Rescue Challenge is a great way for emergency services personnel to develop skills and teamwork. It also a great way to meet fellow firefighters and emergency service personnel from other agencies and share knowledge and skills. This is consistent with the aims and objectives of Firefighter Championships and the FCA is proud to be a partner in this important initiative.

These events cannot be conducted without the support and volunteering of many people from across agencies. We thank them for their valuable contribution.

Come along, have a go, meet fellow emergency responders, and have a great time! Information on this event and FCA Championships is on our website: www.firefighterchampionships.com.

Regards,

Jamie Loader
President FCA

The NSW State Road Crash Rescue Challenge aims to create an environment in which representatives from all agencies involved in responding to road rescues in NSW can come together to learn, exchange ideas and participate in skills challenges in the spirit of camaraderie; delivering a stronger, more effective, and more skilled road crash rescue response for the communities of NSW.

Event	NSW RCRC - Virtual Presentation Announcement
Time	18:00
Venue	Online
Dress	N/A

Competing Teams

Team	Agency
Cowra	Fire and Rescue NSW
RS2 Phantoms	Fire and Rescue NSW
RW1 Rhinos	Fire and Rescue NSW
Police Rescue	NSW Police
Adaminaby Rescue	NSW Rural Fire Service
Batemans Bay	NSW State Emergency Service
Eurobodalla	NSW State Emergency Service
Hawkesbury	NSW State Emergency Service
Hillston / Port Stephens	NSW State Emergency Service
NSW SES Forbes	NSW State Emergency Service
NSW SES Kiama Unit	NSW State Emergency Service
Port Macquarie SES	NSW State Emergency Service
Central Coast Rescue	VRA Rescue NSW
Hunter Valley Rescue	VRA Rescue NSW
North / South Rescue	VRA Rescue NSW
Western Rescue Team	VRA Rescue NSW
Endeavour Energy	Endeavour Energy

Learning Symposium

All participants will be placed in a group. (Team members will be placed in the same group)

Symposium Day Schedule:

Time	Duration				
8:30	30 Mins	Official Opening			
9:05	5 Mins	Welcome, Intro, How the day works, WHS			
		Group A	Group B	Group C	Group D
9:15	60 Mins	Stand 1	Stand 2	Stand 3	Stand 4
10:25	20 Mins	Morning Tea			
10:45	60 Mins	Stand 4	Stand 1	Stand 2	Stand 3
11:55	60 Mins	Stand 3	Stand 4	Stand 1	Stand 2
12:55	30 Mins	Lunch			
13:30	60 Mins	Stand 2	Stand 3	Stand 4	Stand 1
14:40	60 Mins	Event Briefing			
15:40	60 Mins	Walk around pits			

* Symposium sessions are 60 minutes with 10 minutes allowance for change over

Symposium Topics:

Workshop	Description	Facilitator
Stand 1	The identification and management of external life-threatening haemorrhage	Peter Lang, Alan Walker, Scott Larsen, Mark Palaitis, Paris Stowell, Paris Stowell
Stand 2	Electrical Safety	Endeavour Energy - Matt Thornton
Stand 3	Electric Vehicles and ANCAP	Kevin Jones
Stand 4	Plant and Machinery Entrapment and Isolation	Daniel van Keimpema Shannon Crofton

Symposium Workshops are a mix of practical and theoretical sessions.

Workshops will be held in various spaces on the site; your group will be advised of each location.
